KET's Global Capability College

Making India Ready for the World

**Walk-in now as a Learner, Walkout in 10 months
as an Asset Servicing Professional!**

Taking India Ahead in the GCC Space

In alignment with the Hon'ble Prime Minister of India's vision of Vikasit Bharat, Kohinoor Education Trust's Global Capability College (K-GCC) has collaborated with Apex Group to launch, their first flagship offering a ten month, full- time program in Asset Servicing imbued with a 6-month paid internship culminating into an assured employment opportunity on successful completion.

This programme is a new chapter in the Global Capability building initiative and has been incepted with the objective of training and developing manpower and offering them assured employment with large organisations, for the growing GCC segment in India.

Growth opportunities in the GCC Space

According to NASSCOM, presently there are 1200 domestic GCCs in India with sixteen lakh professionals. This space is projected to grow to 2,400 GCCs in India by 2030. This upward trajectory of GCCs will create lucrative employment for more than 45 lakh people.

The Kohinoor Edge

Kohinoor Education Trust (KET) is under the aegis of Kohinoor Group, which is in education since 1961, and has, over the decades, become known as the foremost entity to empower education for masses from KG to PG. It has been a pioneer in the field of education for decades in the technical, business and management space and continues to evolve in response to the changing landscape of global higher education and employment.
